Rural Management Action Research Project Guidelines

Expectations from the Action Research Project are:

Select a state in India for implementation of this action project. This Action Research Project entails personal visit to the higher education systems of the state. Rural Management Program prepared by MGNCRE is to be introduced to them in the state.

1. Connect with and meet the Chairman State Councils of Higher Education, Minister Higher Education, Secretary Higher Education
2. Connect with and meet the Vice Chancellors of Key Private Universities which are not in the capital city of the state.
3. Get the state government officers to release the curriculum of BBA RM and MBA RM.
4. Create a network at the state level with the federation of CSR initiatives which can be the internship locations for the institutions that would offer Rural Management Program in the state. Conduct a seminar/workshop with them to introduce the BBA Rural Management Program
5. Create a network at the state level with the federation of Farmers Producer Organisations which can be the internship locations for the institutions that would offer Rural Management Program in the state. Conduct a seminar/workshop with them to introduce the BBA Rural Management Program
6. Identify institutions state wide which can offer BBA Rural Management.
7. Go to these identified institutions state wide and conduct round tables.
8. Present a time table for completing these tasks.
9. MGNCRE will take up faculty development work in April and May involving those who have completed MBA RM from XIRM, IRMA and DMI.
10. The key point is building educational institution-industry-employer-entrepreneur relationship. Help of Collectors and local rural entrepreneurs for completing this task.
11. The BBA Rural Management programme will have to promoted as a 100% professional and job oriented course with the catchment area being catered with students who pursue this course for the next five years uninterrupted.
12. We are looking at capacitating the institutions to handle this task
13. For this we are keen to engage with highly motivated institutions and also identify highly motivated champions or captains or owners for this project in every such institution.
14. This work requires extraordinary drive
15. The all inclusive pricing of the tasks is given as under for the Month of March 2020 only. There is no negotiation on this.

S No	Capsule of Work (possible works)	Deliverable(s)	Per Unit Total Price in Rs
1	Roundtable with the Farmers Producers Organisations	Preparation, Arrangements, Roundtable with list of participants, publishable camera photos, video and session wise report & press clippings	15000
